## **Tips for Coloring Your Stranger Things Pages**

To make the most of your Stranger Things coloring experience, consider the following tips that balance creativity and technique.

### **Choose the Right Medium**

Depending on the paper quality, you can use colored pencils, markers, or even watercolors. Colored pencils provide control and allow for shading, while markers offer vibrant colors. Watercolors can add a moody, atmospheric

effect, perfect for scenes set in the Upside Down.

## **Experiment with Color Palettes**

While the show has a characteristic dark and neon-lit aesthetic, don't be afraid to experiment. Try using unconventional colors to reinterpret characters or settings. For example, coloring Eleven's iconic pink dress in bold patterns or giving the Demogorgon a different hue can make your art stand out.

## **Layer and Blend Colors**

To add depth, layer different shades of the same color. Blending pencils or using a blending stump can create a smooth transition between tones. This technique works well for skin shading, shadows, or creating an eerie glow reminiscent of the show's supernatural elements.

## **Add Background Details**

If your coloring page leaves space for backgrounds, try adding elements like Christmas lights, bicycles, or the Starcourt Mall. These small details enrich the scene and provide more opportunities for color play.
